

BIO

Annie Lo
DVM, DACVS

Department of Surgery
ACCESS | Los Angeles

Dr. Lo, a California native who grew up in San Francisco, received an undergraduate degree in Molecular and Cellular Biology from the University of California, Berkeley in 2000, after which she extended her studies with research in human hematology.

In 2009 Annie complete her Doctor of Veterinary Medicine degree at the University of Illinois, going on to complete a small animal surgical and medical internship at the University of Pennsylvania, where she stayed on as a Small Animal Surgical resident.

Today, fully entrenched in the Department of Surgery at ACCESS Animal Specialty Hospital in Los Angeles, she is a highly regarded doctor, with interests in minimally invasive procedures (laparoscopy, thoracoscopy, arthroscopy), surgical oncology, reconstructive wound surgery, emergency surgery, urinary tract surgery and various orthopedic procedures.

Dr. Lo is always ready to answer any questions and/or provide further information on how she can assist you with your clients and their pets - so please do not hesitate to contact her today.
