

## JOB DESCRIPTION

# CLIENT CARE REPRESENTATIVE

**ACCESS**  
Specialty Animal Hospitals®

### Welcome

ACCESS Specialty Animal Hospitals are some of the most advanced, inclusive, and progressive veterinary multi-specialty referral hospitals in Southern California. Here there are lots of opportunities for your career growth and development. While we offer benefits normally associated only with large hospitals, our specialty culture, nurtures a collaborative team environment that is the envy of many. **ACCESS is opening our newest, cutting-edge specialty animal hospital in Pasadena and we are looking for Client Service Representatives who love people who love animals.** Want to make a difference delivering exceptional service in often demanding circumstances, please read on!

### Requirements

- Provide exceptional customer service to all people who enter the hospital
- Be a representative of the hospital's Principles of Quality, Integrity, Compassion, and Service at all times
- Handle phone call overflow

### Duties and Responsibilities

- Greet and welcome all clients and visitors into the hospital, providing comfort options such as food and beverage
- Be knowledgeable of the status of all clients waiting in the lobby areas, including who the patient is, what doctor they are seeing, and where they are in the process of the visit
- Create complete and accurate patient charts, including all necessary records, patient information, and client contact information
- Handle all financial transactions accurately, including deposits, cash drops, payments, and credit options for clients. Have knowledge and understanding of hospital billing practices
- Perform opening and closing routines within the front desk to ensure smooth operational running throughout the day, including counting cash, financial closing of reports and terminal batching when scheduled
- Route all incoming information, including emails and faxes, to the appropriate locations within the hospital
- Schedule appointments for clients within the parameters of the individual doctor guidelines
- Route radiographs (digital and hard copy) appropriately through the hospital, including accepting transfer radiographs from primary vets and returning them to the originating hospital
- Provide compassionate, caring support to clients during the euthanasia process, including handling financial transactions expeditiously and arranging for final care options for remains
- Arrange with the Lab and Pharmacy Coordinator to have prescriptions refilled in a timely manner after obtaining doctor approval

- Make notes in patient files of all relevant phone or in-person conversations with clients
- Maintain a clean, functional, and organized front desk work area by refiling all charts promptly and organizing any incoming or outgoing information
- Keep all exam rooms and the lobby area tidy, organized, and stocked.

### Low Call Volume Tasks

- Handling of assigned projects when requested

### Qualifications

- Excellent customer service skills, ability to think critically responding to unique requirements of each client, and ability to efficiently learn appropriate medical terminology/-knowledge, know the range of services the practice provides and the species it treats.

### To Apply

Please email your resume and with a brief introduction that helps us get a sense of why you want to work with ACCESS, how you think, and what you care about.
