

Linnaea Scott, DVM

Department of Emergency and Critical care
ACCESS – Pasadena

Born and raised in the San Gabriel Valley, Dr. Scott obtained her doctorate at the University of Illinois.

She then received advanced training through a rotating medical and surgical internship in Sacramento, CA.

Drawn home to the San Gabriel Valley, she moved back and spent the next fourteen years at a busy 24-hour hospital in South Pasadena before joining the ACCESS - Pasadena team as an emergency vet in 2021.

Dr. Scott's primary interests are in emergency and critical care, including trauma and endocrine emergencies. She has additional interest in cardiac and gastrointestinal emergencies.

In her spare time, Dr. Scott enjoys traveling the California coast with her family including Cherry, the best dog in the world.

She is also passionate about environmental conservation and vegan cooking. She looks forward to helping the pets of the San Gabriel Valley in any way she can.
