

Odeliah Bouganim, DVM

ACCESS – Los Angeles

Dr. Bouganim received her BS in Animal Science from the University of California, Davis. She then ventured on to the Caribbean Island of St. Kitts to begin her veterinary journey. From sea turtles to monkeys, to donkeys, Dr. Bouganim found her true passion for becoming a well-rounded Veterinarian.

After two years, Dr. Bouganim was honorably accepted to Texas A&M University College of Veterinary Medicine where she graduated with a DVM in 2014.

As a southern California native, Dr. Bouganim enjoys outdoor activities such as going to the beach, hiking, and spending time with family in Malibu. She and her husband are raising their three beautiful children Aliyah, Chloe, and Adir.

Within veterinary medicine, Dr. Bouganim especially enjoys emergency medicine and soft tissue surgery. What she appreciates most about her career is the relationships she is able to build with her clients and patients.
