

Elianne Perez, DVM

ACCESS – San Fernando Valley

Dr. Elianne Perez was born and raised in the San Fernando Valley. She obtained her Doctorate degree in Veterinary Medicine from Western University of Health Sciences in 2017. Since then, Dr. Perez has had the opportunity to work in general practice, as well as complete a year-long small animal rotating internship.

Dr. Perez has a professional interest in urgent care and is committed to providing compassionate, competent, and culturally sensitive care to all patients and clients that come her way. Dr. Perez is also fluent in both English and Spanish.

When Dr. Perez is not busy working, you can find her at home drinking coffee, browsing Etsy, going antiquing, and enjoying the company of her loving family and little chihuahua friends.
