

Jaron Naiman, DVM, DACVS-SA

Department of Surgery

ACCESS - Pasadena

Dr. Naiman is a Los Angeles native who graduated magna cum laude from UCLA with a degree in biology. Dr. Naiman attended the UC Davis School of Veterinary Medicine and then completed his rotating internship at Animal Specialty Group in Los Angeles, followed by a surgical residency at Iowa State University.

After completion of his residency, Dr. Naiman passed the American College of Veterinary Surgeons (ACVS) exam to become a Diplomate (Board Certified Surgeon) of the ACVS. Dr. Naiman served as an Assistant Professor of Small Animal Surgery at Iowa State University.

Dr. Naiman has published on several topics including laparoscopic treatment of ovarian remnant syndrome, Achilles tendon repair suture patterns, pelvic fracture repair, and minimally invasive treatment of sacroiliac luxations.

Dr. Naiman's professional interests include imaging assessment and treatment of bone deformities, 3D printing for surgical planning, orthopedic, neurologic, soft tissue, oncologic, and minimally invasive surgery.

When not in the operating room, Dr. Naiman enjoys exploring restaurants, biking, rock climbing and hiking with his dogs.
